

Alumni Engagement

Fall for the UWAA team has been full. Having organized 50+ events in October alone, we saw great alumni engagement including a 29 location Nationwide Watch Party for the UW vs. CSU game. RSVPs for these events increased by more than 15% from previous years.

The New York City Alumni Network launch campaign is in progress and we plan to launch the Energy Alumni Network by the end of the year.

UW at the Bills

We're excited to host over 300 alumni and friends in Buffalo, NY for the Bills vs Buccaneers game November 16th. The event is in partnership with UW Institutional Marketing's game sponsorship with the Bills. It will include a check presentation at the children's hospital, a watch party for the UW vs Fresno State game, and a tailgate with Bills Elvis before the game.

2025 Homecoming Report

Homecoming 2025 saw an approx. 18% increase in registrations compared to 2024 and was a great success. The team, in addition to bolstering traditional Homecoming events, launched two new events. The Alumni Lunch and the 50th Club Dessert Social, celebrating our alumni faculty and staff and the 50th reunion class, respectively. Both events had great inaugural attendance and we look forward to building on them both.
