- You have seven (7) business days to fill out and return your SFS application to UWFM with the required financial documentation.

- If I am approved for a SFS discount, my copay is required at time of service.
- Payment arrangements may be made in advance.
- Failure to comply with your agreed upon payment arrangement with our clinic staff could result in your account being sent for collections.

Automated transcript request. You can quickly request transcripts by using our automated self-help service tools. Please visit us at IRS.gov and click on “Get a Tax Transcript...” under “Tools” or call 1-800-908-9946.

Where to file. Mail or fax Form 4506-T to the address below for the state you lived in, or the state your business was in, when that return was filed. There are two address charts: one for individual transcripts (Form 1040 series and Form W-2) and one for all other transcripts. If you are requesting more than one transcript or other product and the chart shows two different addresses, send your request to the address based on the address of your most recent return.

Line 1b. Enter your employer identification number (EIN) if your request relates to a business return. Otherwise, enter the first three social security numbers (SSN) or your individual taxpayer identification number (ITIN) shown on the return. For example, if you are requesting Form 1040 that includes Schedule C (Form 1040), enter your SSN.

Line 3. Enter your current address. If you use a P.O. box, include it on this line.

Line 4. Enter the address shown on the last return filed if different from the address entered on line 3.

Note: If the addresses on lines 3 and 4 are different and you have not changed your address with the IRS, file Form 8822, Change of Address. For a business address, file Form 8822-B, Change of Address or Responsible Party — Business. Line 5. Enter up to 10 numeric characters to create a unique customer file number that will appear on the transcript. The customer file number should not contain an SSN.

Completion of this line is not required.

Note. If you use an SSN, name or combination of both, we will not input the information and the customer file number will reflect a generic entry of “999999999” on the transcript. Line 6. Enter only one tax form number per request.

Signature and date. Form 4506-T must be signed and dated by the taxpayer listed on line 1a or 2a. The IRS must receive Form 4506-T postmarked before the 120th day of the date signed by the taxpayer or it will be rejected. Ensure that all applicable lines are completed before signing.

You must check the box in the signature area to acknowledge you have the authority to sign and request the information. The form will not be processed and returned to you if the box is unchecked.
