

Livestock Feeding Research Project Proposal – Laramie Research & Extension Center (LREC)

Purpose: This proposal form is necessary in order to optimally allocate LREC pen space, labor, feed resources, and ensure animal welfare. Please complete and send to the LREC Director (jscasta@uwyo.edu) for planning and decision making with the Unit Managers.

1. Principal Investigator: _____
2. Project Title: _____
3. Project Type (Circle all that apply): Research Extension Teaching
4. Will the project require any invasive procedures beyond “standard agricultural practices” for management as described in *Guide for the Care and Use of Agricultural Animals in Research and Teaching*, 4th Ed. - Federation of Animal Science Societies (FASS) (https://www.asas.org/docs/default-source/default-document-library/agguide_4th.pdf?sfvrsn=56b44ed1_2)? Yes No
5. If ‘Yes’ in Question 4 above, has an IACUC Approval been obtained (Circle One): Yes No
 - a. IACUC Protocol Number: _____
6. Livestock Species and Type: _____
 - a. # Animals: _____
 - b. Animal Origin/Ownership (Circle One): LREC Purchased Consigned Other
 - c. Proceeds Potential (can animals be sold, is revenue reduced/altered, please explain in detail): _____
7. # Pens Needed: _____
 - a. Individual Animal Intake Needed (GrowSafe/GreenFeed, Circle One): Yes No
8. Duration of Feeding Period: _____
9. Funding (Circle One): Federal State Industry Private Other: _____
10. How will feed costs be covered?: _____
11. How will labor costs be covered? Please explain if you are funding a student (undergraduate or graduate), if faculty will provide the labor, or if you want LREC employees to provide the labor?: _____
12. Anticipated Research Outcomes: _____
