**PURPOSE:**

The Department of Energy Computational Science Graduate Program is designed to support highly capable students pursuing graduate study in scientific or engineering disciplines with an emphasis in high-performance computing. Fellows will also participate in a practicum at a national DOE lab.

**ELIGIBILITY:**

The program is open to US citizens or permanent resident aliens whom are exceptional seniors or in their first or second year of graduate study.

**STIPEND:**

Benefits include:

- \$32,400 yearly stipend
- Payment of all tuition and required fees
- \$2,475 for computer workstation
- Yearly conference
- \$1,000 academic allowance
- Research opportunity at a DOE laboratory

**APPLICATION:**

Applications are available online at [www.krellinst.org/csgf/application](http://www.krellinst.org/csgf/application). Applications due January 14, 2009.
