

**CERTIFICATE OF FINAL COMPLETION  
ENERGY INNOVATION CENTER SOIL STABILIZATION PROJECT**

August 13, 2026

The work performed under this Contract has been reviewed and found to be finally complete. The Date of Final Completion is hereby established as: OCTOBER 31, 2025.

Definition of Final Completion

**FINAL COMPLETION** occurs "When the Contractor has completed all punch list items and known warranty work and believes the work to have been fully and finally completed in accordance with the Contract Documents, including final project accounting and transmittal of all required close-out and record documentation. The Contractor's site responsibilities and duties shall then cease, required insurance policies may be canceled, and utilities and security shall become the responsibility of the Owner."

Nothing herein shall be construed as terminating the Contractor's responsibilities and duties under Article 23 nor does it relieve the Contractor and the sureties from any claims on his bond from any claims for work or labor done or materials or supplies furnished in the execution of the contract. (W.S. 16-6-116)
