

Request for Qualifications - #26-297

Artist Services – Aquatics Center Memorial Bronze

The University of Wyoming requests your response of qualifications to provide artist and fabrication services for an exterior bronze statue to be located at the new UW Aquatics Center building. The building is located on the University of Wyoming campus in Laramie, Wyoming.

Services will include artist interpretation of a drawing prepared by a student of a cowboy boot acting as a vase for three flowers, representing each of the three student athletes lost in a traffic accident. The selected artist would also fabricate and install the statue. This request for qualifications is for artists to submit samples of their work, not the proposed art.

Details on this solicitation can be found on Public Purchase, <http://www.publicpurchase.com//>.

Preference will be given to Wyoming resident artists. A resident artist with a qualified non-resident associate will also be considered.

All responses shall be submitted via Public Purchase, <http://www.publicpurchase.com//>, no later than 10:00 am (MDT), April 6, 2026.
