

INVITATION TO BID #25-262

Request for Qualifications/Proposals – Engineering Building Diesel Driven Firepump Replacement

University of Wyoming Operations, Management, will receive sealed responses until 10:00 am (MDT), July 30, 2025, for the Request for Qualifications/Proposals – Engineering Building Diesel Driven Firepump Replacement.

Project Description: Design and contract administration for replacement of the firepump in the Engineering building, including installation of a new electric fire pump, the existing building transfer switches, and connection to the existing generator panel located in the EERB building utilizing existing underground duct banks.

A Mandatory Pre-Bid walk through will be held July 16, 2025, 9:00 am (MDT), in the Service Building Conference Room 130, 452 N 15<sup>th</sup> Street, University of Wyoming, Laramie, WY.

Solicitation information is available via Public Purchase, [www.publicpurchase.com](http://www.publicpurchase.com).

Only responses submitted electronically through the Public Purchase site will be considered.
