

INVITATION TO BID #26-299

Request for Qualifications/Proposals – University of Wyoming Campus Utility Master Plan Mid-Cycle Update

University of Wyoming Operations, Utilities Management, will receive sealed responses until 10:00 am (MDT), May 29, 2026, for the Request for Qualifications/Proposals – University of Wyoming Campus Utility Master Plan Mid-Cycle Update.

Project Description: Mid-cycle update of the University of Wyoming's 2020 Utility Master Plan (UMP). The selected consultant will assess the existing plan and current operational goals to develop a clear, actionable roadmap for guiding future campus utility infrastructure projects.

Solicitation information is available via Public Purchase, www.publicpurchase.com.

Only responses submitted electronically through the Public Purchase site will be considered.
