AIG TRAVEL ASSISTANCE APP

Download the Mobile App

With increasing travel security and health risks, navigating the world of international travel requires a new level of sophistication in order to stay safe and secure. With the improved AIG Travel Assistance mobile app*, available for Apple and Android devices, travelers have new features to help ensure effective travel risk management. Whether it's prior to travel, during the trip, or after the return home, our secure, member-only assistance app provides travelers with convenient access to in-depth travel, security and health information 24/7/365.

To access the mobile app, open your camera app and scan the QR code.

-  **One Touch 'Help' Button** connects travelers directly to emergency travel assistance.
-  **Assistance ID Card** can be accessed via the app in the event the physical card is forgotten or lost.
-  **Country Reports, City Guides and Security Advice Reports** provide key information on political conditions, security issues, travel logistics, cultural factors, contact details and health advisories with the ability to mark reports as favorites.
-  **Security Travel Alerts** contain security level developments that may affect your travel destination(s) (subscribed travel alerts will be sent to the registered user's email address).
-  **Check-in Feature** enables travelers to seamlessly notify contacts of their safe arrivals while traveling.
-  **Location Safety Ratings provided by GeoSure®** indicate risk conditions on overall safety, physical harm, women's safety, theft, LGBTQ+ safety, political freedoms, and health for various locations within cities around the world.
-  **Provider Directory** contains contact information for healthcare providers around the world with a map view and ability to turn on GPS and navigate to providers nearby. Members have the option to rate and share comments about the medical provider (feedback will not be made public and will only be shared with AIG Travel).
-  **Medical Translations Tool** translates medical terms and phrases into multiple languages.
-  **Drug Brand Equivalency Tool** generates drug brand names and their equivalent names for multiple countries.
-  **Security Awareness Training** online travel safety videos and knowledge tests provide basic tools and information to be an aware, organized and prepared traveler and you can receive a certificate of completion via email.
-  **Visa Letter** helps you to obtain an insurance certificate for visa purposes. (OPTIONAL FEATURE**)
-  **My Trips** enables travelers to add upcoming trips with the option to receive country alert emails and view trip advice.
-  **Currency Converter** generates daily exchange rates.

GeoSure® Location Safety Ratings

GeoSure delivers continuously updated safety information so travelers have access to a hyper-local, hyper-personal, inclusive digital safety experience.

- Travelers have access to the most granular location safety ratings in the world, down to the neighborhood level in more than 60,000 locations.
- GeoSure takes in multiple factors to help determine scores across the categories of Physical Harm, Women's Safety, Theft, LGBTQ+ Safety, Political Freedoms, Health & Medical and Overall Safety.
- GeoSure determines a score, rated 1-100, for each location. The lower the score, the safer the location.
