

Dear Geography Alliance Coordinator:

National Geographic School Publishing is pleased to present you with a **free sample** of a NGS MapPack Overhead Transparency Set.

NGS MapPacks encourage your students to explore the world around them and develop important map skills they'll use throughout their lives. MapPacks feature up-to-date, colorful map transparencies that bring geographic details to life in brilliant color. Each MapPack contains:

- 30-65 transparencies packed with information such as land use, economics, population, physical geography, climate, and cultural geography
- country or state information grids
- blackline masters
- student activity masters
- comprehensive teacher's guide

These versatile resources can be incorporated into any social studies curriculum, and are a perfect complement to our Map Essentials program for grades 1 through 8.

For a limited time, we are offering all Alliance members an exclusive discount of 50% off all MapPack products.

Enclosed you will find a detailed list of MapPack titles. Please note that the 50% discount also applies to our already-discounted U.S.A. Regions Series set and Continents set, to give you additional savings off the regular price! This offer is valid through December 31, 2001.

To take advantage of this special discount, please attach a copy of this offer to your purchase order, and simply mail or fax it to National Geographic.
