WIND Consumer Advisory Council

About the CAC

The WIND CAC members provide crucial perspectives on issues related to disability services, training, research, and local needs. Members help connect WIND services and activities to communities across the state.

If you are a person with a developmental disability, a family member, or someone who supports individuals with disabilities, we invite you to apply!

As a member you:

Participate in two virtual and two in-person meetings a year.

Serve on WIND CAC and Advisory Committee to share resources, ideas, and networks.

Represent WIND at local and regional events and share information about WIND's work.

Visit www.uwyo.edu/wind/cac for more information or to apply!
