

## American Nurses Credentialing Center (ANCC) Continuing Education Credits

The University of Wyoming is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

ANCC credit is available for participants of Student Health and Integrative Care.

Contact hour certificates will be sent to participants in January (for fall sessions) and June (for spring sessions). To claim 1.25 contact hours, the participant must be in attendance for the entire presentation, including the question-and-answer segment and the case presentation, and complete the learning evaluation survey. Partial contact hours will not be awarded.

To receive ANCC credits, you will need to complete the following:

### Fall Semester Sessions

1. Complete the UW ECHO pre-test. A link will be emailed to participants after they have attended the first ECHO session.
2. Attend live UW ECHO sessions and submit corresponding session evaluations. On the evaluation, mark "Yes" when asked, "Would you like to receive American Nursing Credentialing Center (ANCC) Credit for this session?" If you do not mark "Yes" to this question, you will not receive a contact hours certificate for that session. You will then be asked to provide your name as you would like it to appear on the contact hours certificate.
3. The deadline for all requirements is Friday, January 9th, 2026. Certificates will be emailed by Friday, January 23, 2026
