There are multiple formats available to students with print disabilities. Please check the formats you are requesting and then check the boxes of any student preferences associated with that format.

Braille

- ☐ .brf - An electronic Braille format that is ready to be embossed. Select this format if you have an embosser and only need an electronic version of the textbook material sent to you.
- ☐ Gr2- Grade 2 Contracted Braille. Select this format if you need the text material embossed and bound by an outside source.
- ☐ Gr1- Grade 1 Uncontracted Braille
- ☐ English Braille American Edition
- ☐ Unified English Braille

Large Print

- ☐ LPE- Electronic file ready for printing at the school site
- ☐ LPD- Printed and bound volume of the text material, printed front/back and delivered to your school in hard copy

Preferred font size

- ☐ 18
- ☐ 20
- ☐ 27-30

Digital File

- ☐ .mp3- A compressed digital file provided on a CD
- ☐ eText (.pdf)

DAISY (Digital Talking Book/ DTB) DAISY books use computer-generated synthetic speech, and may contain portions of the book. When possible, books with narration and audio recording of a portion of the DAISY book will use synthetic voice for the audio recording.

- ☐ Digital Recording (human narration)
- ☐ Digital Recording (synthetic speech) with mini audio recording
