## WYOMING OUTDOOR RECREATION *Summit*

# April 30 - May 1, 2026

The Jay Kemmerer WORTH Institute and the Wyoming Office of Outdoor Recreation are excited to announce the 2026 Wyoming Outdoor Recreation Summit (WORS). This event aims to serve Wyoming's outdoor recreation community with relevant, representative, and engaging programming. The 2026 WORS will be held April 30 - May 1, 2026, at the Platte Valley Community Center in Saratoga, WY.

The theme for the 2026 WORS is "Building Capacity for Tomorrow." This theme encompasses intergenerational knowledge exchanges, strategic planning, community support, and the necessity of partnerships. This year's sessions will focus on providing current and future leaders in Wyoming's outdoor recreation sector with the resources and tools they need to succeed.
