## November 2021 Newsletter

We encourage you to send this newsletter to your network contacts.

### Inspire Webinar: Joyous and Just Schools

In September of 2021, SEL Harmony and Inspire Teaching and Learning had a webinar focused on cultivating joyous and just educational spaces for all. This webinar was led by the Council of Chief State School Officers Teacher of the Year 2021 awardee Juliana Urtubey, a special education elementary teacher at Booker Elementary School located in Las Vegas, Nevada.

### The Role of Student Teaching Expansion and Support

In the spring of 2021, the UW College of Education decided to create a new position that could act as a point person to prepare and support all those involved in the student teaching experience. Elizabeth McMahan filled the position as the Director for Student Teaching Expansion and Support. There are many current and

future projects that Elizabeth is undertaking to support student teachers, mentor teachers, and others who are involved with the student teaching experience.

## MakeHER Scholars Program

Wyoming youth empowerment is an essential part of education outside of school time. A program that showcases this work is the MakeHER Scholars Program, a partnership across the state working to empower young women in STEM learning opportunities.

The MakeHER Scholars Program Team discuss the scholar program and the application process for the second year cohort.
