Traversing the Partnership: Career and Technical Education in Junior High Settings

Another program mentioned at the “Portrait of a Graduate” sessions hosted by the State Board of Education was the career and technical education program at Rock Springs Junior High School. We talked to the principal of Rock Springs Junior High School, Kristeen Cundall, to learn more about their program offerings.

Literary Research Center and Clinic Professional Development Opportunities

In support of the on-going work in Wyoming’s K-12 schools around literacy and to complement recent grant support offered through the state WY-BILT grants the UW Literacy Research Center and Clinic would like to make administrators aware of several professional

development opportunities offered through the University of Wyoming.

Wyoming Latina Youth Conference: A Legacy Toward a Holistic Educational Empowerment Process

This past October marks the 21st year of the Wyoming Latina Youth Conference (WLYC). I met with Dr. Cecilia J. Aragón to learn about its' history and future aspirations of WLYC. Dr. Aragón is a University of Wyoming Professor in Latina/o Studies and Theatre and Dance, and she is also the first named Executive Director of WLYC, since 2016.

Robotics and Problem-Solving for the Future

This December, Natrona County School District #1 hosted the **FIRST Lego League Challenge Wyoming Championship** once more. Wyoming School-University Partnership met with Cyndee Guthmiller, who serves as the program facilitator for the robotics program at NCSD #1 as well as the FIRST partner for Wyoming, to learn about this long-standing Wyoming opportunity.
