**The Wyoming summer is here and it is abuzz with some incredible educational opportunities happening around the state. Feel free to forward this update to those you think might benefit from it!**

### Partnership Updates

#### Governing Board Meetings

Feel free to [review the minutes from the April Governing Board Meeting](#) to ensure you are up-to-date on discussions and activities. The next WSUP Governing Board meeting will be held on **Wednesday, July 20, 2022 from 11 a.m. - 2 p.m. at UW Casper Room UU 322.**

A calendar invitation was sent out on Monday, June 13th. If you are not able to attend please try to designate a liaison to attend on your behalf.

### Education Community Updates

## Wyoming Teacher Mentor Corps

The University of Wyoming has welcomed the inaugural cohort of the **Wyoming Teacher-Mentor Corps** (WTMC), an initiative led by the UW College of Education. The WTMC is designed to foster teacher excellence by creating a network of Wyoming educators who can provide expert support for emerging teachers. The 21 cohort members represent 16 of the state's 48 school districts -- creating a web of expert teacher mentors that spans Wyoming.

## Literacy Education Conference

## Literacy Leader Modules

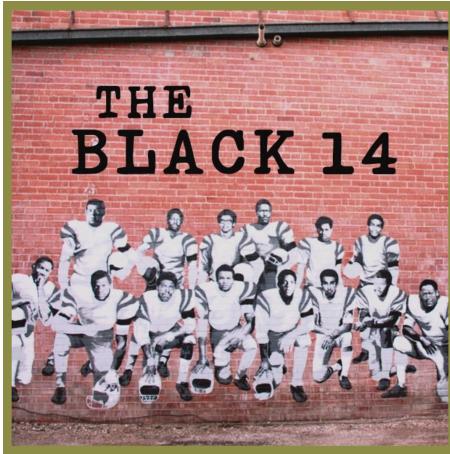

The University of Wyoming Literacy Research Center and Clinic will be offering its **Literacy Education Conference: Science of Reading** on September 17, 2022. Wyoming PTSB renewal credit of 1/2 will be available to Wyoming certified teachers and the conference will feature a variety of breakout presentations.

The conference **registration** will open soon and it will cost \$35 to attend.

More information can be found in the **save the date!**

There are currently eight modules available for Wyoming educators and administrators. Those who decide to complete the modules can find specific guidelines on how to earn PTSB credit, however, the modules can also be completed for no credit if that is desired.

To complete the modules, head to **WyoLearn**, create a login and navigate to Literacy Leadership 1. Within this course you will find the link for the modules and the syllabus.

## Black 14 Social Justice Summer Institute

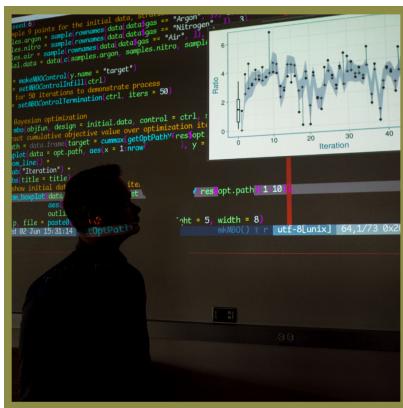

**The Black 14 Social Justice Summer Institute** will be held July 17-23 and has a closed applications at this time. Cost of the institute is free to those who are accepted. The institute is a multi-day overnight program that provides rising junior and senior high school students with the opportunity to research contemporary issues related to and important to the Black community at the local, state, national, and international levels while striving to have a positive impact on college completion rate of Black students.

## Global Vegetation Project

**The Global Vegetation Project** has developed educational resources designed with the Next Generation Science Standards in mind that cater to Grades 3-12. These resources can be adapted to fit your classroom and teaching style while centering the student and allowing their curiosity to guide instruction.
