Please let Nicholas know if you or members of your team are interested in attending next year's national conference.

NASUP

National Association of School University Partnership's

Back in March, a team made up of folks from the University of Wyoming College of Education, the Wyoming School-University Partnership, and three WSup member district's attended the National Association of School University Partnerships in Anaheim, CA. Some of the team presented on specific projects happening within the College of Education and WSup.

UWYO Staff Awards Recognize WSup and CoEd Staff

Congratulations to Nicholas Jesse, of the Wyoming School-University Partnership and Alex Rickert of the College of Education Dean's Office both of whom received 2023-2024 University of Wyoming Staff Awards. Nicholas received the True Grit Award and Alex received the Unsung Hero Award.

Voices in the Field

The Wyoming School-University Partnership alongside the High Altitude Pathways program helped coordinate two Voices in the Field events this year. The first ever Voices in the Field Northwest was hosted at Burlington High School in Big Horn County School District 1. Our second Voices was hosted at Rock River High School in Albany County School District 1.

Voices in the Field is an original WSUP collaborative project led by Malinda Garcia, principal at Whiting High School. If your district is interested in bringing this project to your students, please contact [Nicholas Jesse](#) or [Malinda Garcia](#).
