## November 2023 | The Latest Updates from WSUP

The holiday season is here and there is just over a month left before 2023 comes to a close. With a new year on the horizon, now is a good time to start setting 2024 goals.

### Partnership Updates

#### Governing Board Meetings

Review the [minutes and materials from the October Governing Board meeting](#) to ensure you are up-to-date on discussions and activities pertaining to the Partnership. The next WSUP Governing Board meeting will be held on **Wednesday, January 31st, 2024 and will be a virtual meeting**. A calendar place-holder has been sent out with a link for meeting materials.

#### Wyoming Transitions Program Project Update

We continue to make the inventory of high school programs designed to support students for success after graduation available for interested parties. The database can be found online through the WSUP website. We welcome any additions or corrections that are needed. Dr. Leslie Rush and Graduate Assistant, Kristy Palmer are in the process of completing transition programs case studies with potential best practices. They hope to have those available during the spring of 2024. This project funded by the Ellbogen Foundation and is

designed to explore Wyoming high school programs that support students for post-secondary success.

### District Residency Connections Fair

The second annual District Residency Connections Fair was hosted on the University of Wyoming Campus on October 19. This year saw an expansion of programming with panel discussions from Wyoming education leaders and students from UW College of Education, as well as, resource rotation stations. Finally the fair portion of the day connected 40 College of Education students with district and ed organization personnel. We have set a tentative date for **October 16, 2024** for the next DRCF.

### Wyoming Education Association Best Practices Presentation

Take a moment to [view this insightful presentation](#) on WEA Best Practices given by Grady Hutcherson, President of Wyoming Education Association. A video will be uploaded to the Best Practices Library at a later date.

We are looking for a presentation for our **January 2024** meeting. Please take a moment to fill out the quick form below if your district, organization, or institution has a best practice you would like to share.

## Education Community Updates

## Rock River High School Visits Eastern Wyoming College

On November 9th, 2023, a group of 12 Rock River High School juniors and seniors took a trip, coordinated by the High Altitude Pathways team, to Eastern Wyoming College in Torrington. This visit provided the students with a tour of campus and the space to learn more about what is offered at EWC. During the visit the students had the opportunity to meet with Zach Smith, Director of Enrollment Management who provided background information on program offerings. The tour was led by both Shelby and Dylan, two Lancer Student Ambassadors. Finally, the students ate lunch in the EWC cafeteria to round out their college campus tour.

## Literacy Work Across Wyoming

During the month of October, the [Literacy Research Center and Clinic](#) personnel were engaged in providing educator support with school district partners and participated in events throughout the month. Support was provided to Big Horn #1, Sublette #1, Teton #1, and Fremont #38. The supports provided engaged district partners in instructional techniques, vocabulary expertise development, and book study design and participation.
