## May 2025 | The Latest Updates from WSUP

With the school year coming to an end, it is time to celebrate the dedication, collaboration, and grit demonstrated in public education throughout this past school year. This month's newsletter highlights strategic planning and feedback in the Partnership, lucrative summer conferences and workshops, the DRCF Save-the-Date, and student summer programming. As we reflect, recharge, and look ahead together we just want to say, thank you for being a valuable member of the Partnership.

## Benefits Overview

## WSUP Open Leadership Roles

The Partnership is looking to fill our past chair role on the executive committee. The person filling in will serve as an advisor until we hold elections in July 2027.

If you are interested in nominating an individual or yourself to fill this role in place of the vacant past chair role, please send an email to [Nicholas Jesse](#).

## Membership Fee Reminder

This is a reminder that Nicholas will be sending out WSUP membership invoices starting tomorrow May 29. Dues are requested by August 15, but if you wish to pay your dues before the end of the fiscal year, that is also fine. Dues predominantly fund the project coordinator salary who continues to oversee Partnership-specific initiatives, meetings, and budget. Dues also fund strategic partnership initiatives, outreach efforts, quarterly meetings, and more.

Please note the membership dues model has not changed for 2025-2026. That model is as follows:

- Districts: \$1000 base + \$1 per enrolled student in your district (cap of \$4000).
- Ed Organizations and Higher Ed: Please contact [Nicholas Jesse](#) for your designated dues amounts (these have not changed since last year).

## July Retreat and Feedback Survey

The Partnership is seeking feedback and input from member districts, orgs, and institutions. Please take a moment to fill out the survey linked below. The information you provide will help us better understand what's working well and what could be strengthened to ensure the Partnership continues to support meaningful collaboration, public education renewal, reciprocal supports, and more across Wyoming's educational communities. This survey is also being used to land on a good July date for our strategic planning retreat where we hope all members will come to the table to guide this conversation.
