

## WWAMI Healthcare Careers Summer Camp Counselor Job Description

### Healthcare Careers Summer Camp

#### Responsibilities include:

- Assisting facilitators/faculty members with hands-on activities as needed
- Working with Camp Director to plan and execute recreational and team building activities
- Interacting with students, answering questions, developing a trusting relationship with students and enforcing code of conduct
- Attending all scheduled activities including meals, and supervising students during these activities
- Managing the students on outings to hospitals/clinics/schools etc., keeping them on time, reminding them to act professionally etc.
- Staying in dorms with students, enforcing curfews, and providing evening activities
- Basic first aid if necessary
- Assisting with planning and camp set up on Sunday before campers arrive
- Assisting with registration and orientation activities
- Other duties as assigned

Camp runs Sunday afternoon through Friday noon, July 12<sup>th</sup> – 17<sup>th</sup> 2020. Camp counselors receive room and board, as well as a stipend (\$650). Counselors report for orientation on Sunday at 12 noon and assist through camp dismissal on Friday afternoon. Counselors will also be required to attend two planning sessions (dates/times to be determined) prior to the first day of camp.

This is the 10th year the University of Wyoming/WWAMI has sponsored a Healthcare Career Exploration camp. We are looking for counselors who are passionate about their area of study and excited to work with high school students. *Applications deadline is March 9<sup>th</sup>.* Employment is conditional upon passing a background check.
