

# CARE COORDINATION CERTIFICATES

## For Primary Care Professionals

Sponsored by the University of Wyoming Center on Aging

The courses will be delivered in a virtual environment using a combination of pre-recorded didactic presentations, asynchronous discussion threads, and a virtual meeting space for a live discussion at the end of each module.

- ✓ Learn at your own pace!
- ✓ No cost to participate!
- ✓ Maximize your Medicare revenue!
- ✓ Register for one, two or all three certificate courses!
- ✓ Engage, interact and network during the live discussions!
- ✓ PROFESSIONAL CONTINUING EDUCATION PROVIDED!
- ✓ All courses estimated at 2 hours of learning each week

### Instructor:

**Faith M Jones, MSN,  
RN, NEA-BC**  
Director of Care  
Coordination and  
Lean Consulting at  
HealthTechS3

Faith Jones began her healthcare career in the US Navy over 30 years ago. She has worked in a variety of roles in clinical practice, education, management, administration, consulting, and healthcare compliance. Her knowledge and experience spans various settings including ambulance, clinics, hospitals, home care, and long term care. In her leadership roles she has been responsible for operational leadership for all clinical functions including multiple nursing specialties, pharmacy, laboratory, imaging, nutrition, therapies, as well as administrative functions related to quality management, case management, medical staff credentialing, staff education, and corporate compliance. She currently implements care coordination programs focusing on the Medicare population and teaches care coordination concepts nationally. She also holds a Green Belt in Healthcare and is a Certified Lean Instructor.

### Annual Wellness Visit Certificate Course

August 9 through October 18<sup>th</sup>, 2021 (Registration Deadline: August 23<sup>rd</sup>)

This course is designed to provide health professionals, such as Nurses, Health Educators, Health Coaches, and alike, with the knowledge, skills, and abilities to conduct this in-depth consultative visit and develop an individualized preventive plan of care as a valuable member of the primary care provider team.

*\*This course is approved for 12.5 contact hours*

### Care Coordination Fundamentals Certificate Course

August 16 to December 8<sup>th</sup>, 2021 (Registration Deadline: August 30<sup>th</sup>)

This course is designed to provide health professionals, such as Nurses, primary care clinical staff and alike, to improve care coordination for patients with chronic conditions, behavioral health issues, as well as incorporating health promotion into their practice.

*\*This course is approved for 20 contact hours*

### Advance Care Planning Certificate Course

October 18 thru December 13<sup>th</sup>, 2021 (Registration Deadline: November 1<sup>st</sup>)

Ensuring that patients receive the end of life care THEY want does not happen by chance. It takes planning and most importantly – it takes the skills of an Advance Care Planning professional with the ability to assist patients to put into words what is most important to them. Now more than ever it is imperative that healthcare professionals have the knowledge, skills, and abilities to hold these conversations and deliver this new benefit to the growing number of Medicare beneficiaries – currently over 55 million with an additional 10,000 plus added each day. This course will help you become a skilled Advance Care Planner.

*\*This course is approved for 10 contact hours*

HealthTech Management Services D/B/A HealthTechS3 is a Provider approved by the California Board of Registered Nursing. Participant must complete all course work – no partial credit will be given. A certificate of completion will be provided by HealthTechS3 within 30 days of successful completion of the course.
