

UW ECHO in Geriatrics General Information

Project ECHO is a virtual model for lifelong medical learning and collaborative practice that links front-line healthcare providers with specialist care teams to manage patients who have chronic conditions requiring complex care.

Through the UW ECHO in Geriatrics, healthcare professionals throughout the region have the opportunity to receive best-practice recommendations for consideration in management of older adults. You are invited to present challenging cases for discussion and feedback to a network of colleagues as well as a specialist care team. Each ECHO session will also feature a brief community discussion on a variety of important topics related to geriatrics.

Continuing Education

All participants are asked to complete an evaluation for each session. Completed evaluation required for CE/CMEs. Continuing education CE/CMEs hours will be available for interdisciplinary healthcare providers including pharmacy, nursing, social work, psychology, and other healthcare professionals and social service providers and students for the sessions they attend.

Objectives: At the conclusion of this activity, learners will: develop a network of geriatric care practitioners; create hubs of geriatric expertise in the Rocky Mountain Region; implement best practices for geriatric patients; identify strategies to assess and address the 4Ms (What Matters, Mentation, Mobility, Medication) of geriatric healthcare.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of University of Wyoming and Cheyenne Regional Medical Center. Cheyenne Regional Medical Center is accredited by the Colorado Medical Society to provide continuing medical education for physicians.

Cheyenne Regional Medical Center designates this presentation for a maximum of (12.0) AMA PRA Category 1 Credits™. Physicians should claim only the credit that commensurate with the extent of their participation.

Nursing Contact Hours will be awarded upon attendance at the entire activity and completion/submission of an evaluation. This activity is approved for 12.0 Nursing Contact Hour. Cheyenne Regional Medical Center is an approved provider of nursing continuing professional development by the Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

WyCOA can provide a Certificate of Completion to all other disciplines.

Interprofessional Specialist Hub Team:

- Emma Bjore, MD, CMD. Geriatrician
- Tonja Woods, PharmD, BCGP, FNAP. Geriatric Pharmacist
- Mary Kerber, MD. Neurologist
- Maya Pignatore, PhD. Geropsychologist
- Paige Hector, LMSW. Gerontologist
- Parnika Saxena, MD. Geriatric Psychiatrist
- Stephanie Hanway. ADRC Resource Navigator

Experiences of Case Presenters:

"This was a wonderful experience and very valuable resource for our team as we had the opportunity to present a case and address questions and receive feedback with recommendations."

"I love the multitude of experience/knowledge from this team!"

UW ECHO in Geriatrics

Thursdays 12:00 pm - 1:00 pm (Mountain)
A case conference plus educational presentation

UW ECHO in Geriatrics Format:
12:00-12:05pm: Introductions & Welcome
12:05-12:30pm: 25-minute Community Discussion
12:30-12:55pm: 25-minute Case Presentation
12:55-1:00pm: Closing & Evaluations

2026 Community Discussion Topics:

Advances and Innovations in Geriatric Care

- August 20th: Treatment Advances for Agitation in Alzheimer's Disease
- September 3rd: GeneSight: Using Genetics to Guide Psychotropic Medication Use
- September 17th: Guiding Goals of Care with Frailty and Prognosis Calculators
