

Be sure to check out the Wyoming Dementia Together Once Again YouTube Channel!

Once Again is an informative program for caregivers of loved ones with dementia. Health care professionals and family caregivers discuss concerns, provide professional expertise, and share personal successes and challenges.

Click on "subscribe" and on the "bell" icon next to it and you will be notified when we upload a new video. Don't forget to "like" us and feel free to leave a comment.

WDT is brought to you by the Wyoming Center on Aging and is supported by the Health Resources and Services Administration (HRSA) of the U.S. Department of Health and Human Services (HHS) as part of an award totaling \$5,000,000 with 0% financed with nongovernmental sources. The contents are those of the author(s) and do not necessarily represent the official views of, nor an endorsement, by HRSA, HHS or the U.S. Government.

Participation in the Wyoming Dementia Together Caregiver Network does not establish a patient/provider relationship. Any advice provided during the network is intended to be general in nature and should not be used as a substitute for obtaining medical advice or treatment from a primary physician or other medical professional.

WYOMING DEMENTIA *Together*

CONNECTING PEOPLE WHO CARE

**August -
December
2025**

FREE bi-weekly education, support, and resource networking

Caregiver Experience and Networking

Caregivers will increase their knowledge of dementia and how to support a loved one, increase utilization of community resources, strengthen their support network, and learn how to manage stress and challenging situations.

Professional Support Team:

Sabine Schenck, MS
Facilitator

Carol Taylor, LCSW
Geriatric Social Work

Scott Veatch,
Spousal Caregiver

Dani Guerttman,
Dementia Specialist

Theresa Robinett,
MOT, OTR/L
Occupational
Therapy

Katherine Kitchen
Andren, PhD, ABPP-CN
Neuropsychology

Participant Testimonials:

"This program was welcome because it talked to the diagnosis and early stages of dementia. We are mild to moderate here and it is always good to hear information about early progression."

"Continuing my gratitude for the resources provided through WDT. Thank you ALL!"
