# WDT Caregiver Network Levels of Care 2: When is it time?

# Our Vision

**Our vision is to create a vibrant, active community that touches every caregiver in Wyoming in order to harness personal strengths and local resources to ultimately provide the best care possible for those living with dementia.**

# Mission Statement

**We are a community of experienced professionals who partner with caregivers to provide confidential education and support free of cost to those whose loved ones are living with dementia.**

Welcome !

Wyoming Center on Aging  
Facilitator: Sabine Schenck  
Technical Support: Jenny Wolf

Sabine Schenck

Jenny Wolf

The goal of today's session is to provide you with insights and education on how you can be the caregiver you strive to be.

**Heidi Maxwell**

# Levels of Care

Assisted Living

Skilled Nursing

# Assisted Living

**Assisted living is for people who need help with daily care, but not as much help as a nursing home provides.**

# Memory Care

**Provides intensive, specialized care for people with memory issues within the assisted living facility.**

# Skilled Nursing Facility

**Skilled nursing facilities typically provide acute care supervised by a physician.**

## Memory Care

**Provides intensive, specialized care for people with memory issues within the skilled nursing facility.**

**What is one thing you would like our professional support team to address during the next hour?**

**How can we best support you?**

# Point of View: The Loved One

**How do you know when it is time?**

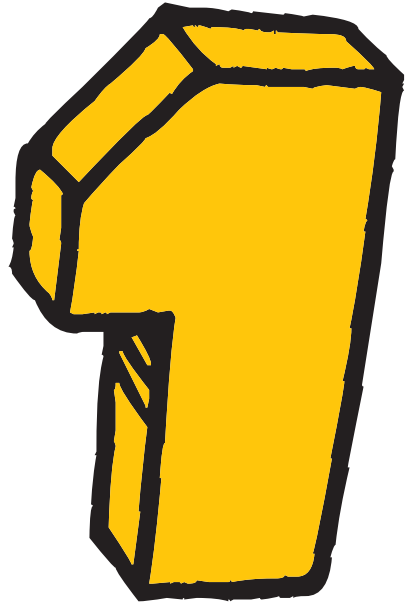

# Point of View: The Caregiver

**How do you know when it is time?**
