

**Video 1 - Welcome.mp4.** 9 minutes. Welcome from WYNDD Director Gary Beauvais and UW President Laurie Nichols.

**Video 2 - Review of WYNDD.mp4.** 44 minutes. Gary Beauvais describes WYNDD's mission; the field projects completed by WYNDD scientists in the past year; the two sides of WYNDD - core products & services, and externally-funded projects; and the status of WYNDD's budget.

**Video 3 - WYNDD Database and Website.mp4.** 43 minutes. Mark Andersen, WYNDD's Information Systems and Services Coordinator, describes the development of WYNDD's databases to-date and discusses the work planned for the coming year and beyond.

**Video 4 - Panel on Data & Information Needs.mp4.** 1 hour. Tim Woolley (Statewide Wildlife and Habitat Management Supervisor, Wyoming Game & Fish Department), Steve Kozlowski (Wildlife Biologist, Medicine Bow - Routt National Forest and Thunder Basin National Grassland), Alison Holloran (Executive Director, Audubon Rockies), and Chris Keefe (Wildlife Biologist – T&E Program Lead, Wyoming State Office, Bureau of Land Management) give their perspectives on the types of data and information needed in resource management.
