

WYOCLOUD PIVOT TABLE TRAININGS AND SERVER ERROR UPDATE

Greetings,

The WyoCloud Team wanted to send the below information:

WyoCloud Pivot Table Training

The next WyoCloud Pivot Tables training is scheduled for **Tuesday, April 9, 3:00PM-4:30PM, ITC 171**. *This workshop has been revamped compared to past sessions and we encourage users to come even if you've attended a session before January 2019.* This workshop will cover how to use basic pivot table features to **analyze and interpret your data and additional features to further leverage the Account Analysis Report**. The session will conclude with a chance to explore your own data and ask questions. You can sign up for this training on [WyoLearn](#).

If users wish to learn more about Pivot Tables and to go more in-depth using incredibly fast and versatile pivot tables, UWIT is offering **Excel: Pivot Table Basics on Thursday, April 11, 2:00PM-4:00PM, ITC 171**. You can sign up for this training on [WyoLearn](#).

Server Connection Error Update

The server connection error [communicated](#) earlier this week by some WyoCloud users was resolved on Tuesday.

If you encounter any issues, please contact the UW Help Desk and submit a ticket. The UW Help Desk is your first resource and quickest response for questions. You can contact the Help Desk by emailing userhelp@uwyo.edu or by calling 766-4357 and selecting option #1.

Best,

The WyoCloud Team
