Greetings,

Below are some updates on the system-related issues the WyoCloud Team altered you to this morning.

- **Procurement Catalogues: CDW & Source Office**. These two catalogues are now operational. All other requisitions and procurement catalogues are operational as well.
- **Expense Reports**: As [notified](#) last week, many users cannot process expense reports this week. We anticipate this issue will be resolved by Monday, May 28, at the earliest. We apologize for this inconvenience.
