

ACCOUNT ANALYSIS AND TOUCHNET REPORT FOR NOVEMBER

Greetings,

As the month of November was closed last week, the Account Analysis Report through the end of **November has been run for you, by division, and stored on the UW warehouse**. This report includes your actuals from July through November, giving you a picture of your accounts and remaining spending authority as of 11/30/18.

More detailed information on the Account Analysis Report can be found on the [quick reference guide](#). Additional details on utilizing the pivot macro can be found in this [guide](#). The **next training** on WyoCloud Pivot Tables is **February 7, 3:00-4:30PM, ITC 171**. You can sign up for this training on [WyoLearn](#).

The [TouchNet Report](#) for the month of November is also available to view.

To access both reports, insert this link [\\warehouse\shotgun\\$\Financial Management Reports](#) into your file explorer to access or click directly on the link. From this folder, you can filter by your organization to see your transactions.

Thanks,

The WyoCloud Team
