

HCM is Live & WyoCloud Systems Are Operational

Greetings,

As announced by Institutional Communications, the second phase of the WyoCloud HCM is now live. **Access to all other WyoCloud applications including the Financial Management, Employee LearnCenter, Recruitment, and Business Intelligence have been restored.**

As Financial Management and HCM are the same system, **we have updated the link to Financial Management on WyoWeb. The new link reads “Financial Management & HCM.”** Although Finance and HR are in the same system, **only users who completed the new WyoCloud HCM trainings by 4:00 pm on Friday, January 18th currently have HCM access.** Training is available in the Employee LearnCenter under [My Learning Plans](#). Upon completion, access to HCM will be granted within three hours.

“Me” is now “My Profile”

With the go live of HCM, the “Me” header within the navigator where you normally find the Expenses module, has been renamed “My Profile.” All the items previously under “Me”, including expenses, are now under “My Profile,” along with additional HCM features, including a link to the Employee LearnCenter.
