

TRAINING OPPORTUNITY & SYSTEM UPDATE REMINDER

Greetings,

The WyoCloud Team wanted to send a reminder about the WyoCloud Pivot Tables training **tomorrow, February 7, 3:00-4:30PM, ITC 171**. This workshop will cover how to use basic pivot table features to **analyze and interpret your data and additional features to further leverage the Account Analysis Report**. This workshop has been revamped compared to past sessions and we encourage users to come even if you've attended a session before. The session will conclude with a chance to explore your own data and ask questions. You can sign up for this training on [WyoLearn](#).

The WyoCloud Financial Management will be down for a quarterly system update beginning **Friday, February 15 at 5:00 p.m. through Monday, February 18 at 8:00 a.m.** During this time, the system will be unavailable. Please be sure to log out of the system by **5:00 p.m. on Friday, February 15**. The maintenance and update schedule can be found [here](#). It is recommended users add these dates to their calendar.

Thanks,

The WyoCloud Team
