WYOCLOUD FINANCIAL MANAGEMENT & HCM OPERATIONAL AFTER UPDATE

Greetings,

WyoCloud Financial Management and HCM are **now operational and accessible** after this weekend's update.

PLEASE NOTE**:** There are a few minor issues due to the update and we are working with Oracle to resolve these as quickly as possible. The Procure to Pay report on the Financial Reporting Table of Contents is currently not working. Additionally, the budgetary control area is not functioning correctly and end-users should use the Account Analysis, General Accounting Dashboard, or Planning and Budgeting (EPBCS) resources for any budget to actual reporting within the system.

Best,

The WyoCloud Team
