

CDW-G IN PROCUREMENT CATALOGS ISSUE

Greetings,

This afternoon users have reported an issue with procuring goods through CDW-G in the Procurement Catalogs. Users are not able to open up the CDW-G website. We are working diligently to resolve this issue and will inform users when this has been fixed.

In the meantime, users can create a [Non-Catalog Requisition](#) for CDW-G and submit via this method. If you have any questions on procuring these goods, please contact the [Procurement Services Office](#).

Best,

The WyoCloud Team
