

TABLE OF CONTENTS UPDATE

Greetings,

The Reporting Table of Contents will be updated in the WyoCloud system the weekend of **March 25th, 2022**. This update will include the addition of a new Restricted Financial Reports Dashboard. The reports moving to the new restricted dashboard are the Payroll Expenditure without Fringe and Payroll Funding - Salaries and Element Entries.

Cost Center Approvers and Decentralized Human Representatives will automatically have access to the new dashboard. If you are not a Cost Center Approver or Decentralized Human Representative and feel you need access to it for your role please complete the steps listed in the [Gaining Access to Role-Restricted Reports QRG](#).

We will be covering this item in the upcoming Deep Dive.

Best,
