

This is a reference guide to help Veterinarians choose the right antibiotic prior to obtaining culture and sensitivity results.

While this profile contains valuable information, please consider other factors like infection history and previous antibiotic use.

This profile reflects our client population, and may not be indicative of your particular sample.

Bovine Respiratory

Antibiotic	% Susceptible		
	<i>Histophilus somni</i>	<i>Mannheimia haemolytica</i>	<i>Pasteurella multocida</i>
