SEROLOGY
PREVIOUSLY, ANIMAL &
FACILITIES**
8 months

Hometown:
Santa Ynez, CA

Major:
Animal Science with a
Pre-Veterinary
concentration

Expected Graduation:
Spring 2022

What do you like about working here?

I like knowing that I'm helping keep Wyoming beef herds free from brucellosis through our surveillance testing.

What are your hobbies or something we don't know about you?

I have a Queensland Heeler puppy named Dally and I am on the shotgun sports team for UW.

What are your future plans?

I plan to attend vet school with a focus on large animal/equine medicine and eventually open up my own practice in Wyoming or Montana
