

Hometown:  
Pine Bluffs, WY

Major:  
Animal and  
Veterinary  
Sciences,  
Pre-Vet Option  
minoring in  
Ag Business

Expected  
Graduation Date:  
Spring 2021

Worked at the lab  
for 2 years

Works in:  
Necropsy/  
Trimming/  
Receiving

# *WSVL Featured Student of the Month October 2019*

## Sierra Shelit

**What do you like about working at the lab?**

There are so many opportunities to learn about the diagnostic component of veterinary medicine, that I wouldn't get else where. I enjoy applying things that I have learned, in the clinical or classroom setting, to cases on the necropsy floor. Working with the Pathologists, our supervisors, and other students helps to create awesome connections and friendships!

**Hobbies/something we don't know:**

I really, really, really hate pizza.

**Future Plans:**

I plan to attend veterinary school, and I aspire to be either a large animal veterinarian or an embryologist.
