

Hometown:

Wheatland, WY

Major:

Animal Science,
Pre-Veterinary
Medicine Option

Expected

Graduation Date:

May 2020

Worked at the lab
for 5 years

Worked in:

Shumaker IDEA
Lab,

Necropsy/
Trimming

WSVL Featured Student of the Month

April 2020

Sierra Amundson

What do you like about working at the lab?

I love reading the reports on cases that originate on the necropsy floor and watching each lab contribute their individual findings toward the final diagnosis. Each day is a reminder that we are all contributing to the same mission, and that is encouraging to me.

Hobbies/something we don't know:

I'm a huge Stephen King fan (the gorier, the better) and make a MEAN instant pot diced potato recipe.

Future Plans:

I have been accepted to veterinary school and will continue my (seemingly endless) education next fall in the Pacific Northwest!
