What do you like about working here?

I love the people I get to work with! I also really enjoy getting to see the diagnostic side of veterinary medicine and learning about all the different tests that are used.

What are your hobbies or something we don't know about you?

I love working with horses and cattle when I'm not in school. I also compete in Olympic weightlifting!

What are your future plans?

My future plans are to attend veterinary school and then eventually come back to Wyoming to open my own large animal practice.
