

WYOMING STATE VET LAB FEATURED STUDENT OF THE MONTH

DECEMBER 2020

MCKENZI DAVISON

**NECROPSY, TRIMMING,
& RECEIVING**

7 months

Hometown:

Big Piney, WY

Major:

Animal Science with a
Pre-Veterinary
concentration

Expected Graduation:

December 2021

What do you like about working here?

I enjoy working in the Necropsy and Trimming labs because I have the opportunity to work alongside pathologists and learn about a variety of diseases affecting companion animals, livestock, and wildlife while gaining hands-on experience!

What are your hobbies or something we don't know about you?

Something that people may not know about me is that I am an avid archery hunter and have competed in 4-H Nationals as well as the annual Las Vegas shoot. In addition to archery, I also enjoy creating art, snow biking, backpacking, and of course, running!

What are your future plans?

My future plans include attending a school of Veterinary Medicine and later returning to Wyoming to practice as a mixed animal veterinarian in rural Wyoming.
