Veterinary
Sciences

Expected

Graduation Date:

May 2022

Worked at the lab
for 6 months

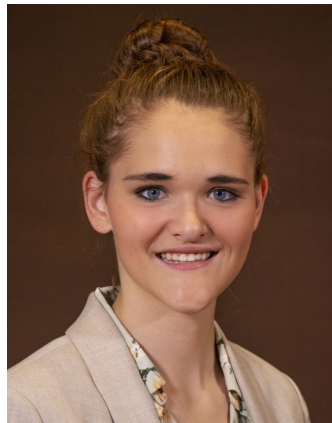

Works in:

Necropsy/
Trimming

WSVL Featured Student of the Month

February 2020

Payton Hallsted

What do you like about working at the lab?

I like working at the lab because I learn something new everyday, which as a student is an ideal environment.

Hobbies/something we don't know:

I was on the first team from Wyoming to win the National FFA Farm and Agribusiness Management contest in 2018.

Future Plans:

I plan to go on to vet school, possibly with an equine focus.
