Spring 2027

What do you like about working here?

One thing that I really like about working here is getting to meet all of the folks who come through to drop off samples.

What are your hobbies or something we don't know about you?

I like to fly fish, ride dirt bikes, and I love going to concerts!

What are your future plans?

In the future I would like to work either the state of Nevada or Wyoming as a brand inspector.
