Green River, WY

Major:

Microbiology
& Physiology

Expected

Graduation Date:

Spring 2019

**Worked at the lab
for 9 months**

Works in:

Bacteriology

WSVL Featured Student of the Month

January 2018

Patrick J. Harvey

What you like about working at the lab?

I enjoy seeing the process of diagnosing unknown disease and then recommending treatment.

Hobbies/something we don't know:

I really like outdoor activities like hiking, camping, and snowboarding!

Future Plans

I would like to go to medical school, but I might get a masters in public health first.
