Sciences,
Ag Business

Expected

Graduation Date:

May 2020

Worked at the lab
for 8 months

Works in:

Receiving

WSVL Featured Student of the Month

January 2019

Erika Eckhardt

What do you like about working at the lab?

I enjoy interacting and meeting the clients who bring in samples and getting to learn about new cases that they are getting in for necropsy. I also like watching necropsies through the viewing windows.

Hobbies/something we don't know:

I'm a kennel manager/board member for the Laramie Animal Welfare Society, which keeps me busy. But also I enjoy quilting, reading war novels, and attempting to snowboard.

Future Plans:

I plan to apply to Veterinary School and eventually open my own mixed practice or specialize in Bovine medicine.
