

WYOMING STATE VET LAB FEATURED STUDENT OF THE MONTH

JANUARY 2021
HUNTER VALASEK

PARASITOLOGY

7 months

Hometown:

Savannah, Missouri

Major:

Animal Science with a
Pre-Veterinary
concentration

Expected Graduation:

May 2021

What do you like about working here?

I like working at the lab, because it allows me to experience a different aspect of veterinary medicine. I enjoy being able to gain hands on experience to help further my education.

What are your hobbies or something we don't know about you?

I was a member of the 2020 UW meat judging team and got to travel for the spring competing at contests before judging online in the fall. When I'm home in Missouri, I enjoy riding my horses and working cattle with my family.

What are your future plans?

My future plans include attending graduate school to further my education and eventually moving back to Missouri to help raise cattle.
