

WYOMING STATE VET LAB FEATURED STUDENT OF THE MONTH

JANUARY 2024
RYLEY MAURER

BACTERIOLOGY

8 months

Hometown:

Hulett, Wy

Major:

Biology and Animal and Veterinary Science with a concentration in Pre-veterinary Medicine

Expected Graduation:

Fall 2026

What do you like about working here?

I love handling all the unique cases and my current research project on identifying fungus. The fungal project has been endearingly challenging and I'm so excited to present it for undergraduate research days.

What are your hobbies or something we don't know about you?

In my free time, I love practicing photography and riding horses. I have a small Canon EOS 70D camera I like to use to photograph wildlife on my rides.

What are your future plans?

I plan to further my education and go on to veterinary school. After I graduate, I hope to attend Carlson College of Veterinary Medicine in Corvallis, Oregon.
