

Hometown:

Jackson, WY

Major:

Physiology,

Doctor of

Pharmacy

Expected

Graduation Date:

Spring 2020/

Spring 2023

Worked at the lab
for 8 months

Works in:

Bacteriology

WSVL Featured Student of the Month

January 2020

Sierra Barlow

What do you like about working at the lab?

I like seeing all of the different cases that come into the lab. I like to speculate on the results of tests and see the outcome.

Hobbies/something we don't know:

My 4 year old and I love to go hiking. We've tried fishing a couple of times, but it's a work in progress.

Future Plans:

I plan to finish pharmacy school and specialize in compounding. I hope to make medications for both humans and animals.
