

WYOMING STATE VET LAB FEATURED STUDENT OF THE MONTH

**HANNAH KERR
JULY 2026**

BACTERIOLOGY

Worked here for: 6 months

Hometown:
Colorado Springs, CO

Major:
Ranch management and
agriculture leadership

Expected Graduation:
Spring 2029

What do you like about working here?

I love that I learn something new every day and how everyone in the lab is so kind.

What are your hobbies, or something we don't know about you?

I love to do things outside and ride my horse.

What are your future plans?

When I graduate, I hope to manage a ranch or own my own ranch in northern Wyoming.
