

WYOMING STATE VET LAB FEATURED STUDENT OF THE MONTH

JULY 2023

BAILEY BENSON

HISTOPATHOLOGY

almost a year

Hometown:

Wheatland, WY

Major:

Animal Science with a concentration in Pre-Veterinary Medicine

Expected Graduation:

May 2025

What do you like about working here?

I think it's super interesting, and I get to hear about a lot of stuff involving animal diseases in the state. I also really like the people I work with.

What are your hobbies or something we don't know about you?

I like to backpack, hike, and fish in the summer. I also enjoy anything involving animals.

What are your future plans?

Currently I hope to apply to Vet School or get a job in the field of Animal Science.
