

WYOMING STATE VET LAB FEATURED STUDENT OF THE MONTH

CASSADIE ANDERSON
JUNE 2024

NECROPSY/TRIMMING/
RECEIVING

Worked here for: 1 year

Hometown:
Cheyenne, WY

Major:
Animal and Veterinary Science
and Zoology

Expected Graduation:
May 2025

What do you like about working here?

I love getting the opportunity to experience interesting necropsies and expand my knowledge on all things animals on the floor and in the trimming lab, which I can then apply to my veterinary classes and hopefully my future career in veterinary medicine.

What are your hobbies or something we don't know about you?

I play tennis and I dance, I am also surprisingly good at archery.

What are your future plans?

Hopefully attend vet school.
